1. Click the Student Portal

COURSE SELECTION

Course Selection

1. In Student Portal, Click on course selection and click Proceed Course Selection.

1. Click on 'OK' . Then the terms and conditions page will appear.

1. Then, in the course selection page click on Perform Course Selection Now.

7) **Visa Renewal - Fees Payment Policy for International Student:** For all international students, if the submission of your visa renewal falls on the same time as your Course Selection period, you must pay the fees that commensurate with the Course Selection before your visa renewal process can be done. If you intend to renew your visa at any other time when your Course Selection is not due, you must first settle all your outstanding tuition fees and other facilities fee for the present semester.

8) **For all scholarship recipients of EMS University Trust ****, the continuation of your scholarship is subject to your current semester's academic achievement. If you do not meet the minimum CGPA requirement, your scholarship will be terminated. Therefore, you are required to pay the FULL tuition fee and other facilities fee for the coming semester. (** All scholarships awarded by EMS University Trust, which also include scholarship offered through The Star Education Fund, Sin Chew Daily Education Fund.)
